

Dear Parents,

Here at the WARREN CHURCH OF CHRIST we are striving to teach and model Christian principles and ideas to your children. We hope that through our various programs your children will be able to learn about God, his son Jesus Christ, and what it means to be a follower of him. With your help we hope to be able to leave a lasting impression on your children; one that will help them as they go throughout their entire life. You will see as you read through this, the dates for all of our children's activities from August through December. We hope your children will be able to join us. We feel that what we are teaching is vitally important in today's world and for what these kids will be facing every day. Also if you would like to come and observe while your kids participate, feel free to do so. And if you feel like God is calling you to help out, just let Nathan or Diana Ratcliff know.

Thank You and God Bless,

Nathan Ratcliff
