### SMALL GROUPS RESUMING AFTER LABOR DAY

Do you struggle navigating the current social issues impacting our world today? This fall, you're invited to join one of our two small groups, (Sunday or Wednesday evening), as we unpack these topics together from a Christian worldview, guided by a book entitled, "So The Next Generation Will Know". These groups will meet at WCC, and each session will begin with a short video, followed by a time of discussion. Because both of these groups will be studying the same weekly material, you can bounce back and forth between the two groups as your schedule allows, choose the night that works best for you, or come to both! Childcare will be available on both nights. Adults of all ages are welcome to attend.

- **Starting September 12th, our Sunday evening group will meet from 5-7:30 PM.** We will begin each evening with a carry-in meal at 5 PM, with discussion time from 6-7:30 PM.  
- **Starting September 15th, our Wednesday evening group will meet from 6:30-8 PM (no carry-in).**

## CHILDREN'S MINISTRY NEWS

### God of Wonders

This semester our K-6th grade students will be participating in a lesson series titled "God of Wonders" that explores Biblical truths through the wonders of science. Each week the students will dive into a different scientific topic, like the solar system, plants, gravity, or even fossils, and see what we can learn about God through studying the science behind that topic. There will be lots of hands-on experiments and projects, and plenty of "AHA" moments for our kids!

Do you have a student that is thinking about baptism? Awesome!

We have some great resources for you and your student to use together as you consider this vital step in their journey of faith. We have copies of the book "Taking the Plunge" for both kids and teens, so see Andrew or Liz for a copy of this helpful resource. Additionally, any of our ministry staff would love to talk to you or your student if you have questions or are looking for input about baptism.
